Although the sun never really shone on us we had good weather, with just a little damp and chill at either end of the day. Entries came in from 16 clubs as far distant as E Sussex, Berkshire, Gloucestershire and Dorset, as well as our own Somerset. Many thanks to all who entered for making it a great day, especially to all those who helped us clear away at the finish.

I would also like to thank all the Bath Archers who gave their assistance on Friday and Saturday to set up as well as clear the field. I could not have managed without you. As special thanks to Kathy Hammond for acting as Lady Paramount for the day and for all the other invaluable help she and husband Steve gave during the run up to the shoot.
