

The Bath Albion, 8th April 2018

Results

Report

A long period of heavy rain saw the field in very poor condition on the weekend prior to the tournament, with 5 inches of standing runoff water in places, and it was very possible that the shoot would be unable to take place.

Fortunately, whilst it came close, the field did not flood and improvement in the weather allowed the field to dry out so that the surface was in good condition on the day.

Whilst cool and overcast with a light breeze and some light rain, conditions for the shoot were more than acceptable. Of the 58 archers booked in to shoot 11 were unable to attend, so there was a field of 15 targets with 47 shooting.

The tournament went smoothly with no holdups (and no lost arrows!), with assembly at 10:30 and last arrow at about 16:00. Deliberately run as a relaxed and friendly shoot to start the season, ends were shot without whistle controlled details and the feedback from the archers was that it had been a fun, enjoyable day.

The Bath volunteers did an excellent job of setting up and doing all the things needed to put on and run the shoot, and I must thank our Lord Patron, Rod White, the competitors and especially all the members of Bath Archers who put in so much hard work to make the day a success.

Finally, congratulations to all our winners, and I hope to see everyone again next year.

Good shooting for 2018.

Steve Hammond

Tournament Organiser and Field Captain

Awards
