

ARCHERY**Great pride over months of glory**

Members of Bath Archery Club have had some great successes in the past few months.

In April and May, James Annall successfully defended both the British 3D and British Field Barebow titles despite tough competition, and he has been selected to represent Great Britain in the World Games in Alabama, USA in July.

Meanwhile, closer to home, the Great Western Archery Society's week of shooting at Dunster kicked off on June 12 with the Somerset County Championships, with Bath Archers' Stuart Ohren emerging victorious as County Champion for Recurve bow, Duncan Garner as Veterans County Champion (Recurve), and Paul Tuffs as County runner-up for Longbow.

Bath Archers' member Steve Walker said: "These results are outstanding. We are proud to have such great archers in our club. They're an inspiration for the rest of us."
