Fellow Archers,

Well I think we can say that this was the year we almost got away with it with regards to the weather. Such a shame to finish on a soggy note, but that didn't stop some brilliant scores from being put down there.

Once again I owe a huge debt of gratitude to the work party without which this event simply could not take place. I must single out Helen Press "The Dunster Office Angel" who can now consider herself a SCAS/GWAS hybrid having finally got her set of wings! Also Chris Hassall who puts so much in to preparing the field and clearing up after the event.

I hope you all had a great week and I know that for some of you the countdown to Dunster 2017 has already begun; 353 days and counting!
