On behalf of the Somerset County Archery Association I would like to say a very big 'thank you' to Nick Nicholson for being our Gentleman Patron - as well as helping me to produce the results for the presentation along with Ann Jackson and Vikki Gallop. Also, thanks to the National Trust for the use of the venue - the Castle has to be one of the best backdrops to an archery tournament anywhere in the Country, to the Judges for doing their usual great job in keeping things going, to all those who helped with the setting up of the field and the running of this tournament, to Ann, family and friends, in the marquee who provided us with food, drink and ice-cream. And finally, to all you archers - thank you for coming, we hope you enjoyed the day and that we'll see you all again next year on the 16th. June.

Chris
